

RULE OF THE CENTRAL BUREAU OF WEIGHTS AND MEASURES

ON THE PRESCRIPTION OF THE STANDARD AND PROVISION OR CONSTRUCTION OF LABORATORY OR PLACE OF A PERSON APPLYING FOR PERMISSION TO BE AN INSPECTOR AND SELF VERIFICATION OF A LENGTH MEASURER (No. 2)

B.E. 2550 (2007)

As the Director-General of the Department of Internal Trade issued the Rule of the Central Bureau of Weight and Measurement on the prescription of standard and provision or construction of a laboratory or place of a person applying to be an inspector and to certify a length measurer B.E. 2549, dated the 3rd of July B.E. 2549 prescribing that a producer of length measurer in the type of flexible retracting steel tape measure, rigid measure, flexible tape measures made of fibreglass and flexible tape measures made of metallic materials who wishes to ask for permission to be an inspector of a length measurer produced shall comply with the rule as prescribed in the Ministerial Regulation:

In order to ensure that a producer of length measurer in the type of metal band who wishes to apply to be an inspector of a length measurer produced by him shall comply with the rules as prescribed in the Ministerial Regulation as same as a producer of length measurer in the type of wire-type metal band rolls back automatically, fibreglass, straight line:

By virtue of section 6(5) of the Weights and Measures Act B.E. 2542 (1999) and the provisions of clause 5 (1) and clause 5(2) of the Ministerial Regulation prescribing the criteria for business operator relating to measurement B.E. 2544 issued under the Weights and Measures Act B.E. 2542 which is the Act containing certain provisions in relation to the restriction of rights and liberties of a person, in respect of which section 29 in conjunction with section 32, section 33, section 41 and section 43 of the Constitution of the Kingdom of Thailand so permit by the virtue of law, the Director-General of the Department of Internal Trade shall hereby issues the rules as follows:

Clause 1. This Rule is called the “Rule of the Central Bureau of Weight and Measurement on the prescription of standard and provision or construction of a laboratory or place of a person applying to be an inspector of a length measurer (No. 2) B.E. 2550 (2007)”.

Clause 2. This Rule shall come into force as from the day following the date of its publication in the Government Gazette.

Clause 3. Clause 3 of the Rule of the Central Bureau of Weight and Measurement on the prescription of standard and provision or construction of a laboratory or place of a person applying to be an inspector of a length measurer, B.E. 2549 dated the 3rd of July B.E. 2549 shall be repealed and the following shall be replaced:

“clause 3. A producer of length measurer in the type of flexible retracting steel tape measure, rigid measure, flexible tape measures made of fibreglass and flexible tape measures made of metallic materials shall arrange for a measurer in the type of straight line for no less than 2 meter and having the accuracy at number 1 and shall be certified the correctness from the Bureau of Weight and Measure every 2 year to use as the standard for testing the accuracy of a length measurer”.

Clause 4. The Director-General of the Department of Internal Trade shall have change and control of this Rule.

Given on the 25th of December B.E. 2550 (2007)

Yanyong Puangraj

Director-General of the Department of Internal Trade
