

MINISTERIAL REGULATION

ON PRESCRIPTION OF FEES RELATING TO BUSINESS OPERATION OF WEIGHTS AND MEASURES AND FEE FOR INSPECTION OF WEIGHING AND MEASURING INSTRUMENTS OUTSIDE OF A COMPETENT OFFICIAL B.E. 2560

By virtue of section 5 paragraph one of the Weights and Measures Act B.E. 2542 amended by the Weights and Measures (No. 3) B.E. 2557 and section 38 of the Weights and Measures B.E. 2542, the Minister of Commerce hereby issues the Ministerial Regulations as follows:

Clause 1. This Ministerial Regulation shall come into force upon the expiration of thirty days from the date of its publication in the Government Gazette.

Clause 2. The followings shall be repealed:

- (1) Ministerial Regulation No. 2 (B.E. 2544) issued under the Weights and Measures Act B.E. 2542;
- (2) Minister Regulation No. 3 (B.E. 2547) issued under the Weights and Measures Act B.E. 2542.

Clause 3. Fee in issuing the Business Operation Certificate shall be collected as follows:

- (1) production:
 - (a) weighing instrument each 3,000 Baht
 - (b) volume measuring instrument each 3,000 Baht
 - (c) measuring instrument each 3,000 Baht

- (2) importation
 - (a) weighing instrument each 3,000 Baht
 - (b) volume measuring instrument each 3,000 Baht
 - (c) measuring instrument each 3,000 Baht
- (3) sale
 - (a) weighing instrument each 1,000 Baht
 - (b) volume measuring instrument each 1,000 Baht
 - (c) measuring instrument each 1,000 Baht
- (4) repair
 - (a) weighing instrument each 3,000 Baht
 - (b) volume measuring instrument each 3,000 Baht
 - (c) measuring instrument each 3,000 Baht
- (5) weighing service provision each 1,000 Baht
- (6) volume measuring service provision each 1,000 Baht
- (7) measuring service provision each 1,000 Baht

Clause 4. Fee of business operation shall be collected under the rate as follows:

- (1) production
 - (a) weighing instrument annually 3,000 Baht
 - (b) volume measuring instrument annually 3,000 Baht
 - (c) measuring instrument annually 3,000 Baht
- (2) importation
 - (a) weighing instrument annually 2,000 Baht
 - (b) volume measuring instrument annually 2,000 Baht
 - (c) measuring instrument annually 2,000 Baht
- (3) repair
 - (a) weighing instrument annually 1,000 Baht

(b) volume measuring instrument	annually 1,000 Baht
(c) measuring instrument	annually 1,000 Baht
(4) weighing service provision	annually 500 Baht
(5) volume measuring service provision	annually 500 Baht
(6) measuring service provision	annually 500 Baht

Clause 5. The fee for issuance of license for a manufacturer to be authorized inspector and self verification for repaired and manufactured weighing and measuring instruments is 5,000 Baht annually.

Clause 6. The fee for issuance of license for a repairer to be authorized inspector and self verification for repaired and manufactured weighing and measuring instruments is 1,000 Baht annually.

Clause 7. The fee for issuance of license renewal shall be in accordance with the fee of issuance of license.

Clause 8. The fee for substitute of business operation certificate shall be 100 Baht each.

Clause 9. The fee for issuance of substitute of license shall be 100 Baht each.

Clause 10. The fee for initial verification and inspection for non-automatic weighing instrument shall be under the following rates:

- (1) automatic and semi automatic indicating weighing instrument:
 - (a) indicating the weight of no less than 20 kilograms each 100 Baht
 - (b) indicating the weight of more than 20 kilograms but not exceeding 100 kilograms each 200 Baht
 - (c) indicating the weight of more than 100 kilograms but not exceeding 500 kilograms each 300 Baht

- (d) indicating the weight of more than 500 kilograms but
not exceeding 1,000 kilograms each 400 Baht
- (e) indicating the weight of more than 1,000 kilograms but
not exceeding 5,000 kilograms each 500 Baht
- (f) indicating the weight of more than 5,000 kilograms but
not exceeding 10,000 kilograms each 1,000 Baht
- (g) indicating the weight of more than 10,00 kilograms but
not exceeding 50,000 kilograms each 3,000 Baht
- (h) indicating the weight of more than 50,000 kilograms each 5,000 Baht
- (2) spring weighing instrument
- (a) indicating the weight of no less than 20 kilograms each 20 Baht
- (b) indicating the weight of more than 20 kilograms but
not exceeding 60 kilograms each 40 Baht
- (c) indicating the weight of more than 60 kilograms
but not exceeding 100 kilograms each 60 Baht
- (d) indicating the weight of more than 100 kilograms each 80 Baht
- (3) non automatic indicating weighing instrument
- (a) indicating the weight of no less than 20 kilograms each 20 Baht
- (b) indicating the weight of more than 20 kilograms but
not exceeding 100 kilograms each 100 Baht
- (c) indicating the weight of more than 100 kilograms
but not exceeding 1,000 kilograms each 200 Baht
- (d) indicating the weight of more than 1,000 kilograms
but not exceeding 5,000 kilograms each 500 Baht
- (e) indicating the weight of more than 1,000 kilograms
but not exceeding 5,000 kilograms each 500 Baht

(f) indicating the weight of more than 5,000 kilograms
but not exceeding 10,000 kilograms each 1,000 Baht

(g) indicating the weight of more than 10,000 kilograms
but not exceeding 50,000 kilograms each 3,000 Baht

(h) indicating the weight of more than 50,000 kilograms each 5,000 Baht

(4) weighing instrument for cassava starch in proportion

(a) indicating the weight of not exceeding 100 kilograms each 100 Baht

(b) indicating the weight exceeding 100 kilograms but
not exceeding 1,000 kilograms each 200 Baht

Clause 11. Fee for inspection and initial verification for an automatic weighing instrument shall

(1) indicating the weight of not exceeding 100 kilograms each 500 Baht

(2) indicating the weight of more than 100 kilograms
but not exceeding 1,000 kilograms each 1,000 Baht

(3) indicating the weight of more be under the following rates: than 1,000 kilograms
but not exceeding 5,000 kilograms each 2,000 Baht

(4) indicating the weight of more than 5,000 kilograms
but not exceeding 10,000 kilograms each 3,000 Baht

(5) indicating the weight of more than 10,000 kilograms
but not exceeding 50,000 kilograms each 4,000 Baht

(6) indicating the weight of more than 50,000 kilograms each 5,000 Baht

Clause 12. The fee for inspection and initial verification of the poise shall be under the following rates:

- (1) indicating the weight of not exceeding 500 milligrams each 1 Baht
- (2) indicating the weight of 1 gram to 500 grams each 10 Baht
- (3) indicating the weight of 1 kilograms to 10 kilograms each 20 Baht
- (4) indicating the weight of 20 kilograms to 50 kilograms each 50 Baht
- (5) indicating the weight of more than 50 kilograms
but not exceeding 500 kilograms each 100 Baht
- (6) indicating the weight of more than 500 kilograms each 200 Baht

Clause 13. The fee for inspection and initial verification of the liquid measuring instrument shall be under the following rates:

- (1) liquid measuring instrument without scale mark
 - (a) indicating the volume of not exceeding 5 liters each 5 Baht
 - (b) indicating the volume exceeding 5 liters each 10 Baht
- (2) liquid measuring instrument with scale mark
 - (a) indicating the volume of not exceeding 5 liters each 5 Baht
 - (b) indicating the volume exceeding 5 liters each 15 Baht
- (3) fuel oil and gasoline volume measuring instrument
 - (a) indicating the volume of not exceeding 5 liters each 5 Baht
 - (b) indicating the volume exceeding 5 liters each 10 Baht
- (4) pump fuel volume measuring instrument each 50 Baht

Clause 14. The fee for inspection and initial verification of a dry object measuring instrument shall be 5 Baht each.

Clause 15. The fee for inspection and initial verification of a length measuring instrument shall be in accordance with the following rates:

- (1) an automatic tap rule and straight line ruler
 - (a) indicating the length of not exceeding 5 meters each 5 Baht
 - (b) indicating the length exceeding 5 meters each 10 Baht
- (2) tap rule and chain ruler
 - (a) indicating the length of not exceeding 10 meters each 20 Baht
 - (b) indicating the length exceeding 10 meters each 50 Baht
- (3) metal length measuring instrument
 - (a) indicating the length of not exceeding 10 meters each 50 Baht
 - (b) indicating the length exceeding 10 meters each 100 Baht
- (4) length measuring instrument for the type of fiberglass or other materials which is not metal and foldable length measuring instrument
 - (a) indicating the length of not exceeding 5 meters each 5 Baht
 - (b) indicating the length exceeding 5 meters but not exceeding 50 meters each 10 Baht
 - (c) indicating the length exceeding 50 meters each 50 Baht

Clause 16. The fee for inspection and initial verification of length measuring instrument shall be in accordance with the following rates:

- (1) meter for cloth length measuring instrument each 100 Baht
- (2) meter for automatic length measuring instrument for the height of liquid in storage
 - (a) indicating the length of not exceeding 10 meters each 100 Baht

(b) indicating the length exceeding 10 meters each 500 Baht

Clause 17. The fee for inspection and initial verification for the meter of liquid volume shall be in accordance with the following rates:

- (1) meter for fuel oil volume and
LPG volume each 500 Baht
- (2) fuel oil, LPG and other liquid volume
 - (a) maximum flowrate of not exceeding 100 liter per minute each 500 Baht
 - (b) maximum flowrate exceeding 100 liter per minute
but not exceeding 500 liters per minute each 1,000 Baht
 - (c) maximum flowrate exceeding 500 liter per minute
but not exceeding 1,000 liters per minute each 2,000 Baht
 - (d) maximum flowrate exceeding 1,000 liters per minute
but not exceeding 5,000 liter per minute each 2,500 Baht
 - (e) maximum flowrate exceeding 5,000 liters per minute each 3,000 Baht
- (3) gasoline volume measuring meter:
 - (a) maximum flowrate of not exceeding 100 liters per minute each 300 Baht
 - (b) maximum flowrate exceeding 100 liters per minute each 1,000 Baht

Clause 18. The fee for inspection and initial verification for water volume measuring meter shall be in accordance with the following rates:

- (1) specified flow rate of not exceeding 10 square meter per hour each 10 Baht
- (2) specified flow rate exceeding 10 square meter per hour
but not exceeding 50 square meter per hour each 100 Baht
- (3) specified flow rate exceeding 50 square meter per hour
but not exceeding 100 square meter per hour each 200 Baht
- (4) specified flow rate exceeding 100 square meter per hour each 400 Baht

Clause 19. The fee for inspection and initial verification for direct mass measurement is 1,000 Baht each.

Clause 20. The fee for inspection and initial verification for liquid gas meter shall be in accordance with the following rates:

- (1) maximum flow rate not exceeding 40 square meter per hour each 200 Baht
- (2) maximum flow rate exceeding 40 square meter per hour but not exceeding 250 square meter per hour each 1,000 Baht
- (3) maximum flow rate exceeding 250 square meters per hour each 2,000 Baht

Clause 21. The fee for inspection and initial verification for rice humidity measurement shall be 500 Baht.

Clause 22. The fee for inspection and subsequent verification shall be fifty percent of the fee for inspection and initial verification.

Clause 23. The fee for inspection and initial verification collected from a manufacturer in the case where the manufacturer is a licensee under section 41 shall be fifty percent of the fee for inspection and initial verification under clause 10, clause 11, clause 12, clause 13, clause 14, clause 15, clause 16, clause 17, clause 18, clause 19, clause 20 and clause 21.

Clause 24. The fee for inspection and subsequent verification collected from a repairer in the case where the repairer is a licensee under section 41 shall be twenty five percent of the fee for inspection and initial verification under clause 10, clause 11, clause 12, clause 13, clause 14, clause 15, clause 16, clause 17, clause 18, clause 19, clause 20 and clause 21.

Clause 25. The fee for inspection and verification without the issuance of verification shall be in accordance with the following rates:

- (1) in respect of inspection for the initial verification, fifty percent of the fee for inspection and initial verification;
- (2) In respect of inspection for the subsequent verification, fifty percent of the fee for inspection and subsequent verification;

Clause 26. Fee for the use of tools and equipment in inspection for verification of weighing and measuring instruments outside the place shall be in accordance with the following rates:

- (1) weighing instrument:
 - (a) indicating the weight of not exceeding 500 kilograms each 100 Baht
 - (b) indicating the weight exceeding 500 kilograms
but not exceeding 1,000 kilograms each 200 Baht
 - (c) indicating the weight exceeding 1,000 kilograms
but not exceeding 5,000 kilograms each 500 Baht
 - (d) indicating the weight exceeding 5,000 kilograms
but not exceeding 10,000 kilograms each 1,000 Baht
 - (e) indicating the weight exceeding 10,000 kilograms
but not exceeding 50,000 kilograms each 2,000 Baht
 - (f) indicating the weight exceeding 50,000 kilograms each 3,000 Baht
- (2) measuring instrument
 - (a) LPG meter in a service station each 200 Baht
 - (b) direct mass measurement each 200 Baht
 - (c) liquid gas meter each 200 Baht

Clause 27. The fee for accuracy inspection of weighing and measuring instruments shall be in accordance with the following rates:

- (1) a weighing instrument:

- (a) indicating the weight exceeding 100 kilograms each 1,000 Baht
- (b) indicating the weight exceeding 100 kilograms
but not exceeding 1,000 kilograms each 1,500 Baht
- (c) indicating the weight exceeding 1,000 kilograms
but not exceeding 10,000 kilograms each 3,000 Baht
- (d) indicating the weight exceeding 10,000 kilograms
but not exceeding 50,000 kilograms each 5,000 Baht
- (e) indicating the weight exceeding 50,000 kilograms each 6,000 Baht

(2) poise

- (a) weight of not exceeding 1 gram each 200 Baht
- (b) weight from 2 grams to 500 grams each 300 Baht
- (c) weight from 1 kilogram to 10 kilograms each 400 Baht
- (d) weight from 20 kilograms to 50 kilograms each 500 Baht
- (e) weights exceeding 50 kilograms but
not exceeding 500 kilograms each 600 Baht
- (f) weight exceeding 500 kilograms each 700 Baht

(3) volume measuring instrument

- (a) build rate each 400 Baht
- (b) volumetric pipette and flask
 - 1) indicating the volume not exceeding 1 liter each 300 Baht
 - 2) indicating the volume exceeding 1 liter but not
exceed 5 liters each 400 Baht
 - 3) indicating the volume exceeding 5 liters but not
exceed 20 liters each 500 Baht
 - 4) indicating the volume exceeding 20 liters each 700 Baht
- (c) for metal volume measuring
 - 1) indicating the volume not exceeding 5 liter each 120 Baht

- 2) indicating the volume exceeding 5 liter but not exceed 20 liter each 200 Baht
- 3) indicating the volume exceeding 20 liter but not exceed 100 liters each 300 Baht
- 4) indicating the volume exceeding 100 liters but not exceed 1,000 liters each 500 Baht
- 5) indicating the volume exceeding 1,000 liters collecting the fee for the first 1,000 liter 500 Baht the next 1,000 liter shall be collected at the rate of 1,000 liter 500 per liter the fraction of 1,000 liters shall be calculated as 1,000 liter but upon calculating together it shall not exceed 5,000 Baht

(4) measuring instrument:

(a) for length measuring instrument and length meter:

- 1) indicating the length of not exceeding 0.5 meter each 200 Baht
- 2) indicating the length exceeding 0.5 meter but not exceeding 1 meter each 300 Baht
- 3) indicating the length exceeding 1 meter but not exceeding 2 meter each 500 Baht
- 4) indicating the length exceeding 2 meter but not exceeding 5 meter each 700 Baht
- 5) indicating the length exceeding 5 meter but not exceeding 10 meter each 1,000 Baht
- 6) indicating the length exceeding 10 meter but not exceeding 50 meter each 1,500 Baht
- 7) indicating the length exceeding 50 meter each 2,000 Baht

(b) for a liquid measuring instrument each 3,000 Baht

- | | |
|--------------------------------------|-----------------|
| (c) for a water measuring instrument | each 1,000 Baht |
| (d) for a direct mass measurement | each 3,000 Baht |
| (e) for a pipe prover | each 3,000 Baht |
| (f) for a compact pipe prover | each 3,000 Baht |
| (g) for a rice humidity measurement | each 1,000 Baht |

in the case of inspection for accuracy under (e), (f) or (g) by using different products, the fee shall equal the amount of products times the rate of fee per instrument but upon calculating together it shall not exceed 40,000 Baht per instrument.

Clause 28. The fee for a person requesting to have a competent official to inspect and verify a weighing and measuring instrument outside of the Central Bureau or Branch Bureau shall be in accordance with the following rates:

(1) in the case of official days and hours:

(a) for a competent official who is a civil servant in the position of
 general operation in the level of practitioner
 or the academic position in the level of practitioner each 300 Baht
 per day

(b) for a competent official who is a civil servant in the position of
 general operation in the level of professional
 or the academic position in the level of professional
 and above each 500 Baht per day

in the case of working over the official working hours, the fee shall be double.

(2) In the case of working outside the official hours:

(a) for a competent official who is a civil servant in the position of
 general operation in the level of practitioner

or the academic position in the level of practitioner each 400 Baht per day

(b) for a competent official who is a civil servant in the position of general operation in the level of professional or the academic position in the level of professional and above each 600 Baht per day

(3) in the case of working on official day off:

(a) for a competent official who is a civil servant in the position of general operation in the level of practitioner or the academic position in the level of practitioner each 600 Baht per day

(b) for a competent official who is a civil servant in the position of general operation in the level of professional or the academic position in the level of professional and above each 1,000 Baht per day

Given on the 7th of February B.E. 2560
