at the time of, competent officials according to the Warehouse, Silo, and Cold Storage Act
of B.E. 2558 (2015) included:

1. Position
2. Position
3. Position

By virtue of section 14 of the Warehouse, Silo, and Cold Storage Act of BE 2558 (2015), as there
was an appropriate reason or necessity in the interest of executing the obligations under the
aforementioned legislation, the competent officials entered into warehouse silo
 cold storage, which belongs to with an address at
..... street sub-district district
province telephone number, and encountered
(Mr./Miss/Mrs.), who is warehouseman/woman
 caretaker of warehouse/silo/cold storage.

Before carrying out the duty, all competent officials demonstrated their good
faith intention by displaying their competent official badges, and explained the causes and
objectives of collecting or taking goods in an appropriate amount as specimens for inspection
before (Mr./Miss/Mrs), who is warehouseman/woman
 caretaker of warehouse/silo/cold storage, as a lead inspector, to a satisfying degree and
without any act that violated the law, and the lead inspector acknowledged and understood
the causes and objectives of entering into the warehouse, silo, or cold storage and collecting or

taking goods in an appropriate amount as specimens for inspection, before the competent officials began collecting or taking the goods in an appropriate amount as specimens.

The competent officials collected or took goods in an appropriate amount as specimens for inspection with the details displayed in the goods account attached at the end of this record and finished the collection at the time of

It should be noted that in collecting or taking goods, competent officials shall do so politely, without threat, coercion, or any other acts which can be construed as physical or psychological abuses to anyone, and shall do so without damaging, losing, diminishing the value of properties or goods, both the ones collected and others, in any way.
